ABERDEEN -- Scotland's third-largest city (pop. 187,000) is characterized by buildings of beautiful white granite. Set beside the North Sea, Aberdeen is both a university town and the capital of the Scottish oil boom. It is also one of Scotland's largest seaside resorts (though its appeal is confined to those who like their water well-chilled). The city's attractions encompass the 15th-century St. Machar's Cathedral, the Mercat Cross of 1686 (a impressive structure), the 14th-century Brig o' Balgownie (Scotland's oldest bridge) and the Winter Garden (Europe's largest indoor garden). Old Aberdeen, the students' quarter of the city, merits a visit; Stroll the campuses of the two ancient universities, King's College (founded 1495) and Marischal College (founded 1500) -- both are now combined as the University of Aberdeen. Aberdeen is excellent as a base for touring the nearby castles (Dunnotar, Slains and Crathes) and whiskey distilleries (Glenfiddich, Glenlivet and Speyside Cooperage). Other sites include Balmoral Castle (the Royal Family's summer residence) and Braemar Castle, which hosts the largest Highland games every

A trip to Dublin wouldn't be complete without imbibing at some of the world's best distilleries and tasting rooms. The city is home to both the Old Jameson Whiskey Distillery and the Guinness Storehouse, where authentic Irish spirits and ales flow freely. Explore the long histories of these brewing giants in their respective factory museums and be sure to take a hearty swig of Guinness's iconic stout. A number of local pubs line the streets of Dublin and contribute to the city's thrilling nightlife. Head to Dublin's city center to drop by the popular Temple Bar, whose unmistakable bright red exterior invites you to "have a gargle."

From cathedrals to castles, Dublin boasts many striking architectural jewels that are guaranteed to astound you. Wander inside St. Patrick's Cathedral, dating back to the twelfth century, to gaze in wonder at its vaulted archways and vibrant stained-glass windows. At the heart of the city lies Dublin Castle, once the medieval stronghold of King John of England and a symbol of centuries-long British rule. This vast and historic chateau offers a number of exquisite interior rooms, museums, and gardens that make for a perfect tour.

Dublin is a haven for bibliophiles. Frequenting in days past by literary greats like Joyce, Wilde, and Yeats, Dublin remains a city for writers and readers.
